Before the State of South Carolina
Department of Insurance

In the matter of:

Provident Life & Accident Ins. Co.

1 Fountain Square
Chattanooga, Tennessee 37402.

SCDI File Number 2001-108729

Consent Order
Imposing Administrative Penalty

This matter comes before me pursuant to an agreement entered into between the State of South Carolina Department of Insurance and Provident Life and Accident Insurance Company, an insurer licensed to transact insurance business within the State of South Carolina.

Provident Life & Accident hereby admits, and I find as fact, that it failed to timely file its June 2001 Quarterly (annual adjusted) Tax Return Installment. This insurer previously also had failed to timely file a previous installment with the Department, for which it was given a first-offense warning letter. Provident Life & Accident maintains these actions were completely unintentional and regrets any problems it may have caused to the Department.

Rather than contest this matter, Provident Life & Accident and the Department have agreed to submit the entire matter to me, along with their specific recommendation, for my summary decision. That consensual recommendation was that Provident Life & Accident would waive its right to a public hearing and would submit an administrative penalty to the Department in the total amount of $1,000.

Section 38-7-60(3) of the South Carolina Code in pertinent part states, "premium and other taxes imposed on insurers pursuant to Sections 38-7-20, 38-7-30, 38-7-40, 38-7-50, and 38-7-90 must be paid to the Director or his designee in quarterly installments on or before March first, June first, September first, and December first of each calendar year." Sections 38-7-60 (4) and 38-5-120 (A) (2) (Supp. 2000) allow the Director of Insurance to impose disciplinary action against an insurer that does not comply with South Carolina's insurance laws.

After a thorough review of the matter, carefully considering the recommendation of the parties, and pursuant to my findings of fact, I hereby conclude as a matter of law that Provident Life & Accident did comply with S.C. Code Ann. § 38-7-60(3) (Supp. 2000). Accordingly, I hereby impose an administrative penalty in the amount of $1,000 against Provident Life & Accident pursuant to the discretion provided to me by the State of South Carolina General Assembly in S.C. Code Ann. §§ 38-5-130 and 38-2-10 (Supp. 2000). This administrative penalty must be paid within ten days of my date and my signature upon this consent order. If Provident Life & Accident has not paid that total amount on, or before, that date, then its certificate of authority to transact business as an insurer within the State of South Carolina will be summarily revoked without any further administrative disciplinary proceedings.

Provident Life & Accident Ins. Co.

The parties have reached this administrative penalty in consideration of the internal corrective internal measures Provident Life & Accident has implemented to prevent this problem from recurring and of the company's assurance that it will timely file each of its future tax returns with the Department. This penalty includes all expenses related to investigation of this matter as provided in § 38-13-70 of the South Carolina Code. The parties expressly agree and understand Provident Life & Accident's payment of the agreed-upon penalty constitutes full accord and satisfaction of this matter.

By the signature of one of its officers or authorized representatives upon this consent order, Provident Life & Accident acknowledges that it understands that this administrative disciplinary order is a public record subject to the disclosure requirements of the State of South Carolina's *Freedom of Information Act,* S.C. Code Ann. §§ 30-4-10, *et seq*. (1991 and Supp. 2000).

Nothing contained within this administrative disciplinary order should be construed to limit, or to deprive any person of, any private right of action under the law. Nothing contained within this administrative disciplinary order should be construed to limit, in any manner, the criminal jurisdiction of any law enforcement or judicial officer. Nothing contained within this administrative disciplinary order should be construed to limit the statutory duty, pursuant to S.C. Code Ann. § 38-3-110 (Supp. 2000), of the Director of Insurance, exercised either directly or through the Department, to "report to the Attorney General or other appropriate law enforcement officials criminal violations of the laws relative to the business of insurance or the provisions of this title which he considers necessary to report."

It is, therefore, ordered that Provident Life and Accident Insurance Company shall, within ten days of my date and my signature upon this consent order, pay through the Department an administrative penalty in the total amount of $1,000.

It is further ordered that a copy of this consent order shall be immediately transmitted to the National Association of Insurance Commissioners for distribution to its member states.

This consent order becomes effective on the date of my signature below.
