**SCHEDULE A**  
**RULES FOR IDENTIFYING DEATH MATCHES**

In comparing Company's records of its insured's, annuitants, Annuity Contract owners, and retained asset account owners against the DMF and any updates thereto, the governing principle to be followed shall be establishing whether or not a unique biological individual identified within the Company's data is the same as a unique biological individual identified on the DMF in a case where a benefit is due and payable. In comparing the Company's records of its insured's, annuitants, Annuity Contract owners, and retained asset account holders against the DMF, the Company shall utilize the following criteria set forth below as the minimum standard for determining what constitutes a match.

**Category 1: "Exact Social Security Number Match"** occurs when the Social Security Number contained in the data found in the Company's records matches exactly to the Social Security Number contained in the DMF.

**Category 2: Non-Social Security Number Match** occurs in any of the following circumstances:

1. The Social Security Number contained in the data found in the Company's records matches in accordance with the Fuzzy Match Criteria listed below to the Social Security Number contained in the DMF, the First and Last Names match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches "exactly."
2. The Company's records do not include a Social Security Number or where the Social Security Number is incomplete (less than 7 digits) or otherwise invalid (e.g., 111111111, 999999999, 123456789), and there is a First Name, Last Name, and Date of Birth combination in the data produced by the Company that is a match against the data contained in the DMF where the First and Last Names match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches "exactly" subject to paragraph 3 immediately below.
3. If there is more than one potentially matched individual returned as a result of the process described in paragraphs 1 and 2 immediately above immediately above, or if both the Social Security Number and Date of Birth found in the Company's Records match in accordance with the Fuzzy Match Criteria listed below then the Company shall run the Social Security Numbers obtained from the DMF for the potential matched individuals against Acurint for Insurance or an equivalent database. If a search of those databases shows that the Social Security Number is listed at the address in the Company's records for the insured, then a Non-Social Security Number Match will be considered to have been made only for individuals with a matching address.

4. If the Company's systems do not contain a complete "Date of Birth," then a "Date of Birth" exact match will be found to exist where the data that is available on the Company's systems does not conflict with the data contained in the DMF. By way of example, if the Company's systems only contain a month and year of birth, an exact "Date of Birth" match will exist if the DMF record contains the same month and year of birth. Additionally, if the Company's systems only contain a year of birth or contain a complete date of birth that includes a month and day of 1/1 (e.g., January 1) followed by a year of birth, the Date of Birth will be deemed to match exactly where the year of birth in the data that is available on the Company's systems is within one (1) year of the year of birth listed in the DMF. By way of example, if the Company's systems contain 1/1/1934, an "exact" Date of Birth match will exist if the DMF record contains a year of birth of 1933, 1934 or 1935.

**Fuzzy Match Criteria:**

1. A "First Name" fuzzy match includes one or more of the following:
  - a. "First Name" "Nick Names": "JIM" and "JAMES." The Company shall utilize a Nickname database, such as the pd Nickname database from Peacock Data, Inc. or an equivalent database, as well as publicly available lists of names and nicknames to identify matching First Names where a nickname is used on one or both sides of the match.
  - b. "Initial" instead of full First Name: "J FOX" and "JAMES FOX."
  - c. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "BUDDY" and "BUDDIE."
  - d. Data entry mistakes with a maximum difference of one character for a First Name at least five characters in length: "HARRIETTA" and "HARRIETA."
  - e. If First Name is provided together with Last Name in a "Full Name" format and "First Name" and "Last Name" cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."
  - f. Use of interchanged First Name and "Middle Name": "ALBERT E GILBERT" and "EARL A GILBERT."
  - g. Compound First Name: "SARAH JANE" and "SARAH," or "MARY ANN" and "MARY."

h. Use of "MRS." + "HUSBAND'S First Name + Last Name:" "MRS DAVID KOOPER" and "BERTHA KOOPER" where the Date of Birth and Social Security Number match exactly and the Last Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.

2. A "Last Name" fuzzy match includes one or more of the following:

a. "Anglicized" forms of last names: "MACDONALD" and "MCDONALD."

b. Compound last name: "SMITH" and "SMITH-JONES."

c. Blank spaces in last name: "VON HAUSEN" and "VONHAUSEN."

d. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "GONZALEZ" and "GONZALES."

e. First Name is provided together with Last Name in a "Full Name" format and First Name and Last Name cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."

f. Use of apostrophe or other punctuation characters in Last Name: "O'NEAL" and "ONEAL."

g. Data entry mistakes with a maximum difference of one character for Last Name: "MACHIARELLI" and "MACHIAVELLI."

h. Last Name Cut-off. A match will be considered to have been made where due to the length of the Last Name, some of the last letters were not saved in the database: "Brezzinnow" and "Brezzinnowski" and "Tohightower" and "Tohightowers."

i. Married Female Last Name Variations: A fuzzy Last Name match will be considered to have been made even though the data does not match on the Last Name of a female if the Date of Birth and Social Security Number match exactly and the First Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.

3. A "Social Security Number" fuzzy match includes one of the following:

a. Two Social Security Numbers with a maximum of two digits in difference, any number position: "123456789" and "123466781."

b. Two consecutive numbers are transposed: "123456789" and "123457689."

c. If a Social Security Number is less than nine digits in length (with a minimum of 7 digits) and is entirely embedded within the other Social Security Number: "1234567" and "0123456789."

#### **Other Matches and Mismatches**

Notwithstanding the fact that a policy is listed as a match in accordance with the foregoing rules, there will not be a reportable match if the Company is able to produce competent evidence to establish that the unique biological individual identified in the Company's data is not the same as a unique biological individual identified on the DMF or such individual is not dead.

## SETTLEMENT AGREEMENT

This Settlement Agreement is entered into by and between the State of Florida Department of Financial Services ("DFS") and Genworth Financial, Inc., Genworth Life Insurance Company, Genworth Life and Annuity Insurance Company, and Genworth Life Insurance Company of New York (collectively "Company"; collectively, DFS and Company shall be referred to as "Parties") as of this 13 day of January ~~2013~~ <sup>2014</sup>.

NOW, THEREFORE, the Parties agree as follows:

### I. DEFINITIONS

Solely for purposes of this Agreement, capitalized terms have the meaning set out below:

1. "Agreement" means this Settlement Agreement entered into by DFS and Company.
2. "Annuity Contract" means a fixed or variable annuity contract, other than a fixed or variable annuity contract issued (a) in connection with an employment-based plan subject to the Employee Retirement Income Security Act of 1974 or (b) to fund an employment-based retirement plan, including any deferred compensation plans.
3. "Audit" means the unclaimed property audit that Auditor has been conducting of Company, on behalf of DFS, which is being resolved pursuant to this Agreement.
4. "Beneficiary" means the person or entity entitled to receive Proceeds from a life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract, or retained asset account.
5. "Death Master File" or "DMF" means the United States Social Security Administration's Death Master File or any other database or service that is at least as comprehensive as the United States Social Security Administration's Death

Master File for determining that a person has reportedly died. The Death Master File must include at least one full version of the file and may include update files.

6. **"Documented Contact"** means Company has made a notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or e-mail address of the contacted person and shall exclude automatic financial or administrative transactions and non-receipt by Company of returned mail sent to the policy owner, insured or beneficiary.
7. **"Dormancy Period"** means the period of years provided for by the UP Laws upon the expiration of which the Proceeds must be reported and remitted to DFS.
8. **"Duration of the Audit"** means the period concluding upon completion of all processing related to the Final Unclaimed Property Report issued by Auditor pursuant to the terms of this Agreement.
9. **"Maturity Age"** means the age of maturity or age of endowment set forth in the terms of a life insurance policy. If a life insurance policy does not specify an age of maturity or age of endowment, Maturity Age shall mean the limiting age under the life insurance policy. The limiting age of a life insurance policy is the terminal age of the mortality table specified in the policy for calculating reserves and/or non-forfeiture values, or, if the policy does not reference a mortality table for policy reserves and/or non-forfeiture values, then the limiting age is the terminal age of the mortality table used in calculating the cost of insurance for the policy.
10. **"Maturity Date"** means the date as set forth in the terms of the Annuity Contract that annuity payments are scheduled to begin, unless the records of the Company indicate that the Maturity Date has been extended in accordance with the terms of

the Annuity Contract or the Annuity Contract owner has taken action within the Dormancy Period in respect to the Annuity Contract at issue that is inconsistent with a desire to annuitize. The Parties agree that, for purposes hereof, "action with respect to the Annuity Contract at issue that is inconsistent with a desire to annuitize" shall mean a partial withdrawal of Contract value, (such as required minimum distributions, or systematic withdrawals unless such distributions or withdrawals remain uncashed, and partial exchanges of the Annuity Contract for another annuity contract), termination or surrender of the Annuity Contract, remittance of all death benefits or death remittances due, or receipt of additional purchase payments.

11. **"Missing Data Life Policies"** means any individual in-force life insurance policies in any paid up status for which the Company has provided Auditor with neither a Social Security number nor a complete, non-calculated date of birth for the insureds under the policies, and the insureds have reached the attained age of eighty (80) years as computed from the year of issue and age at issue data supplied by the Company, and excluding policies that are in extended term status. All life insurance policies that do not currently meet the definition of Missing Data Life Policies solely because the insured has not yet reached the attained age of eighty (80) years shall become Missing Data Life Policies upon the insured reaching such attained age.
12. **"Missing Data Life Policy Unclaimed Property Report"** ("Missing Data Life Policy UPR") means a report prepared and submitted to Auditor by the Company to identify Missing Data Life Policies which the Company has determined to be

payable to DFS. The Missing Data Life Policy UPRs will be delivered by the Company according to the format described in Schedule C.

13. "Proceeds" means money payable under a life insurance policy, group life insurance certificate, Annuity Contract, or retained asset account within the Scope of the Audit.
14. "Record keeper" means those circumstances under which the Company has priced the group premium rate structure to include record keeping fees, or contractually agreed with the group policyholder to be primarily responsible (either directly or through a third party with which the Company has contracted for the group customer's recordkeeping) for obtaining and/or maintaining in its own systems (or the systems of the third party with which the Company has contracted for the group customer's recordkeeping) information about each individual insured under a Company group insurance contract (or a line of coverage thereunder), credit life insurance policy, or mortgage life insurance policy, including information about the insured and beneficiary, coverage eligibility, benefit amount and premium payment status. For purposes of this Agreement, the Company shall be deemed a Record keeper for all group life insurance certificates, other than credit life insurance or mortgage life insurance, where any of the following conditions apply: (1) a disability or other waiver of premium or accelerated death benefit claim has been received and the Company could determine liability on the certificate and pay a claim without consulting either the group policyholder or other third party (other than a third party with which the Company has contracted) for information, other than for beneficiary

information, waiver status for any individual that became eligible for waiver of premium at age forty (40) or after and died before their waiver termination and are at an age at which waiver of premium remained available under the group policy, any death benefit amount that could be determined by using information in the Company's systems (including dates of birth and policy plan schedules), or any other information that the Company would not normally require from a policyholder or other third party (other than a third party with which the Company has contracted) before paying a death claim; (2) there is a cash surrender value; and (3) the certificate has been converted or ported into individual life insurance policies issued by the Company upon the termination of a certificate holder's employment; provided that nothing in this definition is intended to or shall affect the eligibility criteria for a certificate holder from those enumerated in the written terms of any applicable group life insurance policy or, if applicable, the plan documents pursuant to which the group life insurance policy is offered, or preclude the Company from asserting an exception based on lack of eligibility under **Section IIA(iii)(b)** of the Agreement.

15. **"Scope of the Audit"** means all unclaimed property that is required to be reported and remitted to DFS, as defined by the terms of this Agreement, with respect to life insurance policies, Annuity Contracts, and retained asset accounts that were in-force at any time during the period January 1, 1992 through December 31, 2012, regardless of whether they are currently listed as active, and including, but not limited to, policies identified as lapsed, expired, matured, reported and remitted to DFS, rescinded, or terminated. Notwithstanding any of the foregoing,

the Scope of the Audit shall exclude: (a) Proceeds payable under a policy provision or rider covering accidental death; (b) Proceeds due under group life insurance policies or group annuities (including group life insurance and group annuity certificates issued thereunder), mortgage life insurance policies, or credit life insurance policies for which the Company is not, and was not at the time of death, the Record keeper, except for group life insurance and group annuity, mortgage life insurance, or credit life insurance claims received for which the Company, from information in its administrative systems, or the administrative systems of any third party retained by the Company, and/or the group policy claim form, is able to determine that a benefit is due and is able to determine the benefit amount, but such claims have not been fully paid or reported and remitted as unclaimed property; and (c) any policy or certificate of life insurance that provides a death benefit under any Federal employee benefit program, including without limitation the Servicemembers Group Life Insurance and Veterans Group Life Insurance Programs, which, through Federal law or regulation, prohibits escheatment.

16. **Unclaimed Property Report ("UPR")** means a report prepared and submitted to the Company by Auditor to identify property that Auditor has determined to be payable by the Company. The UPRs will be delivered by Auditor according to the formats described in **Schedule C** and the procedures set forth in **Schedule D**.
17. **"UP Laws"** means Chapter 717, Florida Statutes (2011), and Fla. Admin. Code Chapter 69L-20.
18. **"Auditor"** means Verus Financial LLC ("Verus").

## II. UNCLAIMED PROPERTY REPORTS AND REMITTANCE

### 1. Proceeds Reportable and Remittable By Reason of Death

Solely for purposes of concluding the Audit and solely with respect to property that is subject to this Agreement, DFS and the Company agree to the following procedures.

(i) The following shall be the procedures for reporting and remitting Proceeds that are remittable by reason of death.

(ii) Auditor will submit UPRs to the Company in accordance with **Schedule D** identifying life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts where a death has been identified by Auditor in accordance with **Schedule B**, and for which Auditor has determined that Proceeds may be payable. All UPRs that Auditor provides to the Company with respect to life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts shall identify deaths of the Company's insureds, Annuity Contract owners or annuitants, and retained asset account owners that Auditor has identified in the course of matching the Company's records against the DME. The UPRs will be delivered in the format described in **Schedule C**.

(iii) Pursuant to **Section II.5**, herein and **Schedule D, Section III**, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period following the Company's response to the UPR, not to exceed ten (10) days. The sole grounds for exceptions shall be one or more of the following: (a) the individual identified on the UPR is not dead; (b) the individual is not an insured, eligible to be an insured under a group life insurance certificate, an annuitant, an Annuity Contract owner, or a retained asset account owner; (c) the

life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract, or retained asset account was not in force upon death; (d) there was no benefit payable upon death (e.g., the life insurance policy, group insurance certificate, Annuity Contract, or retained asset account had no value at death or was not payable at death; the death indicated was the first of two insureds to die under a second-to-die policy); (e) a benefit is not payable due to the application of a relevant contestability period or suicide exclusion period; (f) the Dormancy Period has not expired; (g) all benefits payable upon death have in fact been remitted to a Beneficiary or reported and remitted as unclaimed property; (h) if an Annuity Contract, the Beneficiary has re-registered or recorded the contract with the Company as a beneficial owner and any contractually permitted five-year period under Section 72(s)(1)(B) of the Internal Revenue Code (including the special rule for a surviving spouse), if applicable, or any contractually permitted period under the five-year rule of Section 401(a)(9)(B) of the Internal Revenue Code (including the special rule for a surviving spouse), if applicable, has not expired, or the benefits are being paid over the life of the beneficiary under Section 72(s)(2) or 401(a)(9)(B) of the Internal Revenue Code; (i) a claim for the value of any benefits payable upon death already is in the process of being paid by the Company to a Beneficiary and the benefits will be paid within the time allotted for payment following confirmed contact with a Beneficiary as set forth in **Schedule D**; (j) for claims received under non-Record keeper group life insurance contracts (including group life insurance certificates issued thereunder), Annuity Contracts, mortgage life insurance policies, or credit life insurance policies, and for group life insurance certificates where a disability or other waiver of premium or accelerated death benefits has been granted, the Company lacks and/or is unable to obtain sufficient information necessary to determine that the Proceeds are due or is unable to determine the amount of the Proceeds; (k) all

benefits payable upon death are remittable to another State or are the subject of pending litigation; (l) all benefits payable upon death are due under a participating group life insurance policy subject to retrospective experience rating, so long as any related premium stabilization reserve shall upon termination of such group insurance policy be payable by the Company to (1) the group customer for the benefit of the plan participants or (2) the plan; (m) group marketed corporate, bank, and institutional owned policies where the beneficiary is the policy owner, the Company is in contact with the policy owner, and there are no other individual beneficiaries; (n) private placement variable universal life products and private placement variable annuities where the Company is in contact with the policy owner or contract owner; and/or (o) the life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract or retained asset account is not within the Scope of the Audit. The Company shall further provide notice to Auditor if it believes the date of death is different than the date of death provided by Auditor if the Company contends such difference affects the Proceeds payable under the life insurance policy (including any group life insurance certificate issued thereunder), Annuity Contract, or retained asset account. The list of exceptions shall be provided by the Company no later than the times specified in Schedule D, Section III.

(iv) For purposes of this Section only, the Dormancy Period is deemed to commence upon the date of death as reflected in the DMF and expires after the requisite number of years has passed under the UP Laws. The running of the Dormancy Period shall not be tolled for any reason. The dormancy period shall not be deemed to commence where the Proceeds are payable to an individual who has not reached the age of majority under the applicable state law and the Company has had documented contact with the minor or his or her representative. However, if there is pending litigation to resolve claims to the Proceeds, Company shall not be

required to report and remit the Proceeds during the pendency of the litigation. After the litigation has ended, Company shall be required to report and remit the Proceeds to DFS if the owner of the proceeds is missing and the Proceeds are due to DFS.

(v) If the Company locates the Beneficiary or the Beneficiary's legal or properly designated representative before the Proceeds are required to be reported and remitted to DFS in accordance with **Schedule D**, the Company will make a written notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or email address of the contacted person.

(vi) Proceeds shall be determined without deduction of any fees other than those permitted by the Annuity Contract or life insurance policy. Further, the Company agrees that it or any agent acting on its behalf will not charge Beneficiaries costs associated with this Agreement.

(a) Proceeds under life insurance policies shall be determined in accordance with the policy terms as of the date of death, exclusive of interest (other than interest payable under **Section II.1(vii)** below), and shall include a reversal of any amounts deducted from the policy after death, including, but not limited to, amounts deducted for premium payments, loans, and/or service charges, and of any amounts added to the policy for interest or dividends. Notwithstanding the above, charges incurred before the insured's date of death but posted after the date of death shall not be reversed. For variable life insurance, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate accounts at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to DFS.

(b) Proceeds under Annuity Contracts with a death benefit shall be determined according to the contract terms, exclusive of interest on a death benefit (other than interest, if any, payable under Section II.1(vii) below), except that: (a) with respect to those Proceeds that remain in variable annuities, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate accounts at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to DFS; and (b) with respect to those Proceeds that remain in fixed annuities, the Company shall determine Proceeds based on the values of the account within ten (10) business days prior to the date the Proceeds are remitted to DFS.

(c) Proceeds under retained asset accounts shall be the value of the account as of the date the Proceeds are remitted to DFS.

(vii) The amount payable to DFS shall include the Proceeds, plus interest at a rate of three (3) percent compounded annually from the date used to establish the death benefit values in accordance with Section II.1(vi)(a) and (b) above, or from January 1, 1995, whichever is later. However, interest shall not be payable with respect to the Proceeds of retained asset accounts. With respect to Annuity Contracts no interest will be paid except where the death benefit values were placed in a suspense account or money market account earning less than three (3) percent interest for over ninety (90) days, then interest representing the difference between three (3) percent and the interest received shall be payable on the Annuity Contract Proceeds compounded annually from the date the death benefit account values are established according to the contract terms or from January 1, 1995, whichever is later. If any Proceeds are not timely remitted as required under this Agreement, DFS may seek to enforce the terms of this Agreement or initiate an action to vindicate any rights it may possess under DFS's UP Laws for

failure to report, remit, or deliver unclaimed property on a timely basis. In the event an action is brought under DFS's UP Laws, nothing contained in this Agreement shall serve as an admission by either Party in such action.

2. Proceeds Payable Upon Maturity Age or Maturity Date

(i) The following shall be the procedures for reporting and remitting Proceeds that are payable to DFS upon reaching Maturity Age or Maturity Date.

(ii) Auditor will submit UPRs to the Company in accordance with **Schedule D** identifying life insurance policies (including any group life insurance certificates issued thereunder) and Annuity Contracts that Auditor has determined have reached Maturity Age or Maturity Date, and for which the period of time elapsed since the Maturity Age or Maturity Date is beyond the Dormancy Period. The UPRs will be delivered in the format described in **Schedule C**.

(iii) Pursuant to **Section II.5** herein and **Schedule D, Section III**, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period following the Company's response to the UPR, not to exceed ten (10) days. The sole grounds for exceptions shall be one or more of the following: (a) the life insurance policy (including any group insurance certificate issued thereunder) or Annuity Contract had not reached the Maturity Age or Maturity Date; (b) the policy, the group life insurance certificate, or Annuity Contract was not in force upon the Maturity Age or Maturity Date; (c) there was no benefit payable upon the Maturity Age or Maturity Date (e.g., the policy, group life insurance certificate, or Annuity Contract had no value at the Maturity Age or Maturity Date; the policy, group life insurance

certificate, or Annuity Contract had been surrendered); (d) the Dormancy Period has not expired; (e) the value of any Proceeds payable upon the Maturity Age or Maturity Date has in fact been remitted to the Beneficiary, or the Proceeds were already reported and remitted as unclaimed property; (f) the value of any Proceeds payable upon the Maturity Age or Maturity Date is remittable to another State or is the subject of pending litigation; (g) the terms of the Annuity Contract provide for an immediate forced annuitization at the Maturity Date and the Annuity Contract has been annuitized or is in the process of being annuitized as a result of confirmed contact with the Beneficiary per the terms of the contract; (h) the value of any Proceeds payable upon the Maturity Age or Maturity Date is in the process of being paid by the Company as a result of confirmed contact with the Beneficiary as set forth in **Schedule D** per the terms of the contract; and/or (i) the life insurance policy (including any group life insurance certificate issued thereunder) or Annuity Contract is not within the Scope of the Audit. The Company shall further provide notice to Auditor if it has determined that the Maturity Age or Maturity Date is different than the Maturity Age or Maturity Date provided by Auditor if the Company contends such difference affects Proceeds under the policy or Annuity Contract. The list of exceptions shall be provided by the Company no later than the time specified in **Schedule D, Section III**.

(iv) For purposes of this Section, the Dormancy Period commences upon the Maturity Age or Maturity Date of the policy, group life insurance certificate, or Annuity Contract, or any revised Maturity Age, Maturity Date or other deferral expiration, as confirmed in writing to the Company by such owner, and is restarted upon Documented Contact with the owner of the relevant policy, group life insurance certificate or Annuity Contract. For purposes of this Section, "Documented Contact" includes: (a) administrative actions such as a request by the policy owner, Beneficiary, Annuity Contract owner, annuitant, or the legal or properly

designated representative thereof, to maintain the policy or Annuity Contract, defer annuitization, surrender or accept other payment to be received from the policy, group life insurance certificate, or Annuity Contract; change the designation of a Beneficiary, Annuity Contract owner or annuitant; or change an address or contact information; or (b) financial transactions such as a non-automated withdrawal (including, without limitation, election of a guaranteed minimum withdrawal or accumulation benefit(s)); refusing rider fee change increases; commencing or altering a required minimum distribution pursuant to the Internal Revenue Code and/or exercising any premature withdrawal privileges; additions of premium; a non-automated request to transfer funds, or reallocate the value of a policy or Annuity Contract among variable investment options; or a non-automated request to renew or change a fixed interest guarantee period under the policy or Annuity Contract.

(v) The running of the Dormancy Period shall not be tolled for any reason. However, if there is pending litigation to resolve claims to the Proceeds, Company shall not be required to report and remit the Proceeds during the pendency of the litigation. After the litigation has ended, Company shall be required to report and remit the Proceeds to DFS if the owner of the proceeds is missing and the Proceeds are due to DFS.

(vi) If the Company locates the owner of the relevant policy, group life insurance certificate or Annuity Contract, or such person's legal or properly designated representative, before the Proceeds are required to be reported and remitted to DFS in accordance with Schedule D, the Company will make a written notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or email address of the contacted person.

(vii) Proceeds shall be determined without deduction of any fees other than those permitted by the policy or contract. The Company agrees that it or any agent acting on its behalf will not charge Beneficiaries costs associated with this Agreement.

(viii) Proceeds remitted by the Company to DFS under an Annuity Contract shall include the current account value as follows: (a) for a variable Annuity Contract, based on the value of assets held in the underlying separate account at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to DFS, and (b) for a fixed Annuity Contract, based on the account value within ten (10) business days of the date the Proceeds are remitted to DFS and inclusive of any interest credited by the Company to the account value. Upon remittance, the Company shall have no further obligation to report and remit Proceeds under the Annuity Contract.

(ix) All Proceeds of a life insurance policy or group life insurance certificate upon reaching Maturity Age shall be determined by the Company in accordance with the terms of the policy, or certificate, as appropriate, and shall include a reversal of any amounts deducted from the policy after the Maturity Age, including, but not limited to, amounts deducted for premium payments, loans, and/or service charges, and of any amounts added to the policy for interest or dividends. Notwithstanding the above, charges incurred before the Maturity Age but posted after the Maturity Age shall not be reversed. For variable life insurance, the Company shall determine Proceeds based on the value of assets maintained in the relevant separate accounts at the close of business on the seventh (7th) business day prior to the date Proceeds are remitted to DFS. Interest shall be added to Proceeds due to DFS from the later of the Maturity Age or January 1, 1995, at the interest rate of three (3) percent compounded annually. If any Proceeds are not timely remitted as required under this Agreement, DFS may seek to enforce the

terms of this Agreement or initiate an action to vindicate any rights it may possess under DFS's UP Laws for failure to report, remit, or deliver unclaimed property on a timely basis. In the event an action is brought under DFS's UP Laws, nothing contained in this Agreement shall serve as an admission by either party in any such action.

3. **Proceeds in Retained Asset Accounts**

(i) For all situations not otherwise governed by the provisions set forth in Section II. 1, the following shall be the procedures for reporting and remitting Proceeds payable from retained asset accounts to DFS.

(ii) Auditor will submit UPRs to the Company in accordance with Schedule D identifying dormant retained asset accounts that Auditor has determined may be payable. The UPRs will be delivered in the format described in Schedule C.

(iii) Pursuant to Section II.5 herein and Schedule D, Section III, the Company shall provide Auditor with exceptions to the UPR and state the grounds thereof. Where such grounds are based on documents or data that have not been provided to Auditor previously, the Company shall provide such data or documentation within a reasonable time period following the Company's response to the UPR, not to exceed ten (10) days. The sole grounds for exceptions shall be one or more of the following: (a) the owner of retained asset account identified in the UPR has taken affirmative action in respect to the account that is inconsistent with abandonment (automatic financial or administrative transactions, other than automated deposits or withdrawals prearranged by the account owner, and/or the non-receipt by the Company of returned mail shall not constitute "affirmative action" for this purpose); (b) the Dormancy Period has not expired; (c) the value of the retained asset account has in fact been remitted to the owner or reported and remitted as unclaimed property; (d) the funds in the

retained asset account are remittable to another State or are the subject of pending litigation; and/or (e) the retained asset account is not within the Scope of the Audit. The list of exceptions shall be provided by the Company no later than the time specified in **Schedule D, Section III**. For purposes of this Section, the Dormancy Period shall not be deemed to have expired with respect to Proceeds of a retained asset account if the Company has Documented Contact with the owner within the Dormancy Period.

(iv) If the Company locates the owner before the account is required to be reported and remitted to DFS in accordance with **Schedule D**, the Company will make a notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or e-mail address of the contacted person. The Company's contact with the account owner in the manner described above will result in the account not being subject to reporting and remittance in accordance with **Schedule D**.

(v) For purposes of this Section, the Dormancy Period commences upon the date of the most recent non-automatic financial or administrative transaction or other contact with the owner that is documented in the books and records of the Company.

(vi) Proceeds under retained asset accounts shall be the value of the account as of the date the Proceeds are remitted to DFS. Proceeds shall be determined without deduction of any fees other than those permitted by the contract. The Company agrees that it or any agent acting on its behalf will not charge Beneficiaries costs associated with this Agreement. If any Proceeds are not timely remitted as required under this Section of the Agreement, DFS may seek to enforce the terms of this Agreement or initiate an action to vindicate any rights it may possess under that DFS's UP Laws for failure to report, remit, or deliver unclaimed property on a timely

basis. In the event an action is brought under DFS's UP Laws, nothing contained in this Agreement shall serve as an admission by either Party in any such action.

4. Proceeds Payable for Missing Data Life Policies (Only if Company has Missing Data Life Policies)

(i) The following shall be the procedures for reporting and remitting Proceeds that are payable under life insurance policies which are missing certain information. As used in this Section and **Schedule D** only, the term "Effective Date" shall have the same meaning as the term Effective Date of the Global Resolution Agreement signed by Company on June 5, 2013 (the "GRA").

(ii) The Company and Auditor shall discuss in good faith the most efficient and appropriate method for addressing policies for which the Company has provided Auditor with neither a Social Security number nor a complete, non-calculated date of birth for the insureds under the policies based upon the available data and other unique characteristics of such policies. If within three (3) months after the Effective Date the Company and Auditor have agreed upon such a method, that method shall be used to process such policies under the Agreement. If within three (3) months after the Effective Date the Company and Auditor have not agreed upon such a method, then the Company agrees that Proceeds of all Missing Data Life Policies shall be due and payable for report and remittance to DFS in accordance with this Section of the Agreement and **Schedule D**.

(iii) The Company will submit Missing Data Life Policy UPRs to Auditor in accordance with **Schedule D** identifying Missing Data Life Policies that are subject to remittance to DFS. The Missing Data Life Policy UPRs will be delivered in the format described in **Schedule C**. Auditor shall perform a review of the Missing Data Life Policy UPRs and shall

provide the Company with any modifications and/or amendments to the Missing Data Life Policy UPRs in accordance with **Schedule D, Section I**.

(iv) All Proceeds of Missing Data Life Policies shall be valued as if the insured had died on the Effective Date and shall include the full face value, dividends, additional paid up insurance and any other amounts added to the policies as of the date of remittance, but shall not be subject to any three percent (3%) interest called for under other Sections of this Agreement, provided that the Company will remain liable for any additional amount that may be due to a *bona fide* subsequent claimant in excess of the amount actually remitted to DFS.

(v) On no less than an annual basis, all life insurance policies for which the Company has neither provided Auditor with a Social Security number nor a complete, non-calculated date of birth that otherwise would meet the definition of Missing Data Life Policies except that the insured under the policy has not reached the attained age of eighty (80) years shall be reported and remitted directly to DFS, after the issuance of the **Final Audit Report**, by the Company under the terms of this Agreement (following completion of efforts to contact the policy owner as described in **Schedule D, Section I**) in the year that the insured reaches such attained age.

5. **Resolving Disputes Regarding Unclaimed Property Reports and Missing Data Life Policy UPRs**

(i) The following shall be the procedures for resolving disputes regarding UPRs and Missing Data Life Policy UPRs.

(ii) If Auditor disputes an exception taken by the Company to a UPR, Auditor shall provide notice to the Company within the time specified in **Schedule D, Section III**, and the notice shall be accompanied by the Company's list of exceptions. If the Company disputes any modifications or amendments made by Auditor to a Missing Data Life Policy UPR, the

Company shall provide notice to Auditor within the time specified in **Schedule D, Section I**, and the notice shall be accompanied by the list of modifications or amendments subject to dispute.

(iii) Following receipt of notice of a dispute, Auditor and the Company shall meet to resolve the dispute and conclude the dispute resolution process within the time specified in **Schedule D, Sections I and III**.

(iv) If there is no agreement after Auditor and the Company meet, Auditor shall provide notice to DFS of the failure to reach agreement within the time specified in **Schedule D, Sections I and III**. The dispute shall then be referred to DFS pursuant to the UP Laws and regulations. Determinations made by DFS as to the previously disputed UPRs shall be final and binding on the Parties.

6. **Reporting and Remittance Procedures**

(i) DFS agrees that in determining the appropriate state to report and remit Proceeds under this Agreement, the following rules shall apply:

(a) Proceeds shall be remitted to the state of the last known address of each single Beneficiary as shown in the Company's books and records.

(b) If there is more than one known Beneficiary, Proceeds shall be reported and remitted to the states of the last known addresses of the Beneficiaries, based upon the amounts payable to each under the applicable life insurance policy, group life insurance certificate, or Annuity Contract for those Beneficiaries for whom a last known address is shown in the books and records of the Company. For those Beneficiaries for whom an address is not shown in the Company's books and records, **subsections 6.(i)(c) and 6.(i)(d)** shall apply.

(c) With respect to property related to life insurance policies or Annuity Contracts due to a Beneficiary, if there is no last known address for any Beneficiary in the Company's books and records, then Proceeds shall be reported and remitted to the state of the last known address of the insured or annuitant.

(d) If the Company's books and records do not contain a last known address for the Beneficiary and do not contain a last known address for the insured, annuitant, or retained asset account owner, or if the last known addresses of the above are all outside the United States, then the Proceeds shall be reported and remitted to the state of incorporation of the relevant Company entity as of the time the state of incorporation's Dormancy Period expired under the terms of this Agreement, or, for Missing Data Life Policies, the state of incorporation of the relevant Company entity as of the time the Proceeds become reportable and remittable under this Agreement.

(ii) The existence of an unresolved dispute as to reporting and remitting Proceeds shall not affect the duty to report and remit Proceeds as to which no dispute exists.

(iii) The Company shall report and remit Proceeds as required by **Schedule D**.

(iv) The Company shall provide Auditor with reasonable access to monitor the UPR and Missing Data Life Policy UPR review and the reporting and remittance processes being performed in accordance with **Schedule D**.

(v) Nothing contained in this Agreement shall preclude the Company from exercising any right it may have to seek indemnification, refunds or corrections of errors to the extent authorized by, and in accordance with, the UP Laws to which the Company made a remittance or report in error.

### III. GENERAL PROVISIONS

1. This Agreement sets forth a process for identifying certain amounts to be reported and remitted under its terms. Notwithstanding any of the terms, phrasing, or provisions used herein, nothing in this Agreement constitutes an admission that any amount or Proceeds described herein are past due, have been owed, or were improperly withheld or retained by the Company, or an admission by the Company that the Company had any legal or contractual obligation to conduct DMF searches in order to determine whether an insured, Annuity Contract owner or annuitant or retained asset account owner was deceased.

2. Schedules B, C and D attached to this Agreement (Schedule A is intentionally omitted) correspond to the Schedules bearing the same heading that are attached to the Global Resolution Agreement signed by Company on June 5, 2013 (the "GRA"). Except as specifically provided in the Schedule D attached to this Agreement, Schedule D is intended by the Parties to be interpreted as being consistent with Schedule D of the GRA.

3. Upon the execution of the Agreement by the Company and Auditor, to the extent that it has not already done so, and provided it is within the Scope of the Audit or reasonably requested by Auditor to identify Proceeds that are within the Scope of the Audit, the Company shall provide to Auditor: (a) the underlying detailed information (defined for the purposes of this paragraph as the policy or contract number, full name, date of birth, Social Security number, and address, where available) regarding all potential matches the Company has identified as a result of comparisons it has performed of its life insurance policies, Annuity Contracts, or retained asset accounts against the DMF subsequent to the initiation of the Audit; (b) a list of all matches the Company has determined to be valid; (c) a list of all matches the Company has determined to be invalid and/or for which no Proceeds are payable, as well as the specific grounds for such determinations (e.g., the Proceeds were previously paid); (d) a list of all policies or contracts

where a match has been made and the Company has determined that Proceeds under the policies or contracts are subject to reporting and remittance; and (e) a list of all policies or contracts where a match has been made and the Company has paid the Proceeds under the policies, as well as information identifying all Beneficiaries of these policies or contracts that have been paid. Thereafter, by the 25th day of every month, the Company will provide Auditor with a list of any additional unclaimed life insurance policies, Annuity Contracts, or retained asset accounts within the Scope of the Audit the Company has identified or become aware of that may be unpaid, as well as a list of any such policies, contracts or accounts for which the Company has either attempted to contact a customer to confirm a death or obtain additional identity information or initiated due diligence as a result of a DMF match or potential match. The Company agrees that all life insurance policies, Annuity Contracts or retained asset accounts on any such lists that meet the conditions for reporting and remittance under the terms of this Agreement shall be processed in accordance with the terms of this Agreement.

4. For the Duration of the Audit, the Company shall continue to provide Auditor with the data reasonably requested by Auditor to identify Proceeds that are within the Scope of the Audit.

5. For the Duration of the Audit, the Company shall provide Auditor with reasonable access to the Company's data and systems through a Company employee to respond to queries made by Auditor's personnel to test the completeness and accuracy of all records provided by the Company.

6. The Company agrees to provide all requested insured, annuitant, Annuity Contract owner, or retained asset account owner names parsed out as follows to the extent such

data elements are captured in the Company's systems: Prefix (Mr./Dr./ Maj./etc.); First; Middle (full name or initial if full not in Company's records); Last; and Suffix (Esq./Jr./III/etc.).

7. Upon request, the Company agrees to provide reasonable assistance to DFS to aid in determining the validity of claims made upon the Proceeds remitted.

8. Company shall be entitled to any and all indemnification, hold harmless, discharge or release of liability provided for by Section 717.1201, Florida Statutes, with respect to all property reported and remitted in good faith to DFS in accordance with the terms of this Agreement.

9. This Agreement shall not impair, restrict, suspend, or disqualify Company from engaging in any lawful business in Florida. Further, this Agreement is not intended to impair or disqualify Company from engaging in any lawful business in any jurisdiction, based upon, or arising out of, the unclaimed property audit regarding any alleged act or omission of Company that occurred prior to the execution of this Agreement, unless Company breaches the terms of this Agreement.

10. The Parties agree that this Agreement is not intended to and shall not confer any rights upon any other person or entity. Nothing in this Agreement shall be construed to provide for a private right of action to any person or entity. Nor shall the Agreement be deemed to create any intended or incidental third party beneficiaries, and the matters addressed herein shall remain within the sole and exclusive jurisdiction of DFS.

11. The Parties agree that this Agreement contains the entire agreement between them with regard to Company's settlement practices and policy administration relating to its unclaimed property practices and that there are no other understandings or agreements, verbal or

otherwise, between the Parties, except as set forth herein. Other than as set forth herein, there have been no representations that any Party has relied upon in entering into this Agreement.

12. This Agreement may not be modified, changed, canceled, amended or varied, nor may any or all of its terms be waived, except by a writing signed by all of the Parties.

13. This Agreement may be executed in counterparts, but shall not be effective until signed by all Parties.

14. This Agreement represents a compromise of disputed matters between the Parties. Neither this Agreement, nor any act performed or document executed in furtherance of this Agreement, nor any discussions or communications leading to this Agreement, is now or may be deemed in the future to be an admission of or evidence of liability or wrongdoing by the Company or any of its current or former affiliates, subsidiaries, officers, directors, employees, agents, or representatives with respect to the subject matter of the investigation.

15. The Company shall be excused from its performance under this Agreement, shall not be deemed to have breached this Agreement, and shall not be liable in damages or otherwise, in the event of any delay or default in performing the Agreement's terms resulting from a circumstance not within the reasonable control of the Company including, but not limited to, damage to or destruction of Company's property, systems or facilities. Notwithstanding such circumstances, the Company shall exercise reasonable diligence to perform its obligations under this Agreement and shall take reasonable precautions to avoid the effects of such circumstances to the extent that they may cause delay or default with respect to the Company's ability to perform its obligations under this Agreement.

16. This Agreement shall be construed and interpreted in accordance with the laws of the State of Florida without regard to any conflict of laws provisions.

17. Company agrees that the material failure to adhere to one or more of the above terms and conditions of this Settlement Agreement shall constitute a breach of the Agreement and shall subject Company to any administrative or enforcement actions and penalties as may be available to DFS under applicable law.

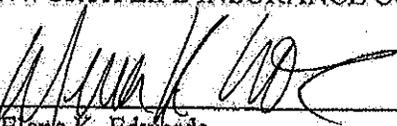

18. The Parties agree that the sole and exclusive venue for any action to enforce or for breach of this Agreement shall be in Leon County, Florida.

19. The Parties represent and warrant that the person executing this Agreement on behalf of each Party has the legal authority to bind the Party to the terms of this Agreement.

20. The Parties agree to cooperate fully with one another in implementing this Agreement.

21. The Parties may mutually agree to any reasonable extensions of time that might become necessary to carry out the provisions of this Agreement.

## SCHEDULE B

### RULES FOR IDENTIFYING DEATH MATCHES

In comparing Company's records of its insureds, Annuity Contract owners or annuitants, as applicable to the payment of the death benefit, and retained asset account owners against the DMF, the governing principle to be followed shall be establishing whether or not a unique biological individual identified on Company's data is the same as a unique biological individual identified on the DMF in a case where a benefit is due and payable. In comparing Company's records of its insureds, Annuity Contract owners or annuitants, and retained asset account owners against the DMF, Auditor shall divide the matches it identifies into four categories in accordance with the rules set forth below.

#### Category 1: "Exact" Match

A Category 1 Match occurs in any of the following circumstances:

1. There is a four-way exact match of the First Name, Last Name, Date of Birth, and Social Security Number contained in the data produced by Company against data contained in the DMF.
2. The First Name matches in accordance with the Fuzzy Match Criteria listed below and the Last Name, Date of Birth, and Social Security Number match exactly.

#### Category 2: SSN Match

A Category 2 Match occurs when:

1. There is a four-way match of the First Name, Last Name, Date of Birth, and Social Security Number such that the Social Security Number contained in the data produced by Company matches exactly to the Social Security Number contained in the DMF, and the First Name, Last Name, and Date of Birth match either exactly or in accordance with the Fuzzy Match Criteria listed below.

#### Category 3: Non-SSN Match

A Category 3 Match occurs in any of the following circumstances:

1. The Social Security Number contained in the data produced by Company matches in accordance with the Fuzzy Match Criteria listed below to the Social Security Number contained in the DMF, and the First and Last Names, and Date of Birth match either exactly or in accordance with the Fuzzy Match Criteria listed below.
2. The records produced by Company do not include a Social Security Number or where the Social Security Number is incomplete (less than 7 digits) or otherwise invalid (e.g., 00000000, 99999999, 000006789), and there is a First Name, Last Name, and Date of Birth combination in the data produced by Company that is a match against the data contained in the DMF where the First and Last Names

match either exactly or in accordance with the Fuzzy Match Criteria listed below and the Date of Birth matches exactly, subject to paragraph 3 immediately below.

3. If there is more than one potentially matched individual returned as a result of the process described in paragraph 2 above, then Auditor shall run the Social Security Numbers obtained from the DMF for the potential matched individuals against Accurant for Insurance or an equivalent database. If a search of those databases shows that the Social Security Number is listed at the address provided by Company for the insured, then a Category 3 Match will be considered to have been made.

**Category 4: Applicable Only to Companies with Policies which are Missing Certain Data, as Described Below**

A Category 4 Match occurs in any of the following circumstances:

1. For all life insurance policies (other than Missing Data Life Policies) for which the Company provided neither a complete Social Security Number nor a complete, non-calculated Date of Birth:
  - a. If (i) the DMF First and Last Names match the Company supplied records either exactly or according to the Fuzzy Match Criteria listed below for at least one person, (ii) such person was born within the 2 year birth range (from 1 year before to 1 year after) for the insured as computed from the year of issue and age at issue data supplied by the Company, and (iii) such person is at least 60 years of age, the Company shall either accept the match as valid or supply Auditor with a complete Date of Birth and/or Social Security Number for the insured from the physical policy file. If the Company supplies Auditor with a complete Date of Birth and/or Social Security Number from the policy file, the standard match rules shall then be applied to the new identity information.
  - b. If the policy file contains neither a complete Date of Birth nor a Social Security Number for the insured, then a match will be considered made if (i) there is one, and only one, person, listed in the DMF who was born within the 2 year birth range (from 1 year before to 1 year after) for the insured as computed from the year of issue and age at issue data supplied by the Company, or (ii) there are more than one such matched persons as described in clause (i) but only one such matched person lived in the same state (listed in the DMF) as the insured, which was recorded on the Company's administrative systems.

**Fuzzy Match Criteria:**

1. A "First Name" fuzzy match includes one or more of the following:
  - a. First Name nicknames: "JIM" and "JAMES." Auditor utilizes the pdNickname database from Peacock Data, Inc. as well as publicly available lists of names and nicknames to identify matching First Names where a nickname is used on one or both sides of the match.
  - b. Initial instead of full First Name: "J FOX" and "JAMES FOX."

- c. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "BUDDY" and "BUDDIE."
  - d. Data entry mistakes with a maximum difference of one character for a First Name at least five characters in length: "HARRIETTA" and "HARRIETA."
  - e. First Name is provided together with Last Name in a "Full Name" format and First Name and Last Name cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."
  - f. Use of interchanged First Name and "Middle Name": "ALBERT E GILBERT" and "EARL A GILBERT."
  - g. Compound First Name: "SARAH JANE" and "SARAH," or "MARY ANN" and "MARY."
  - h. Use of "MRS." + "HUSBAND'S First Name + Last Name:" "MRS DAVID KOOPER" and "BERTHA KOOPER" where the Date of Birth and Social Security Number match exactly and the Last Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.
2. A "Last Name" fuzzy match includes one or more of the following:
- a. "Anglicized" forms of last names: "MACDONALD" and "MCDONALD."
  - b. Compound last name: "SMITH" and "SMITH-JONES."
  - c. Blank spaces in last name: "VON HAUSEN" and "VONHAUSEN."
  - d. "Metaphone" (a recognized and accepted phonetic name matching algorithm created by Lawrence Philips and originally published in 1990): "GONZALEZ" and "GONZALES."
  - e. First Name is provided together with Last Name in a "Full Name" format and First Name and Last Name cannot be reliably distinguished from one another: "ROBERT JOSEPH," both "JOSEPH ROBERT" and "ROBERT JOSEPH."
  - f. Use of apostrophe or other punctuation characters in Last Name: "O'NEAL" and "ONEAL."
  - g. Data entry mistakes with a maximum difference of one character for Last Name: "MACHIARELLI" and "MACHIARELI."
  - h. Last Name Cut-off. A match will be considered to have been made where due to the length of the Last Name, some of the last letters were not saved in the database: "Brezzinnows" and "Brezzinnowski" and "Tohightower" and "Tohightowers."
  - i. Married Female Last Name Variations: A fuzzy Last Name match will be considered to have been made even though the data does not match on the Last Name of a female if the Date of Birth and Social Security Number match exactly and the First Name matches exactly or in accordance with the Fuzzy Match Criteria listed herein.
3. "Date Of Birth" fuzzy match includes one of the following:
- a. Two dates with a maximum of 1 digit in difference: "03/27/1945" and "03/27/1946."

- i. NOTE: "03/27/1949" and "03/27/1950" are not a match under Rule 3(a).
  - ii. Only 1 entry mistake per full date is allowable: "03/27/1945" and "03/28/1946" are not a match under Rule 3(a).
  - b. Transposition of month and day portion of the Date of Birth: "05/11/1935" and "11/05/1935."
  - c. If either Company's systems or the DMF does not contain a complete Date of Birth, then a Date of Birth exact match will be found to exist where the data that is available on Company's systems does not conflict with the data contained in the DMF. By way of example, if Company's systems only contain a month and year of birth, an exact Date of Birth match will exist if the DMF record contains the same month and year of birth.
  - d. If the Company provided First and Last Name match, either exactly or in accordance with the Fuzzy Match Criteria listed herein, and the Company provided Social Security Number matches exactly against the DMF, then the Date of Birth will be a fuzzy match if the Company provided Date of Birth is within 2 years either before or after the DMF listed Date of Birth.
  - e. If the Company provided First and Last Name match exactly and there is an inaccurate, missing or incomplete Social Security Number, a match will be considered made if:
    - i. The Company supplied Date of Birth is a default Date of Birth (e.g., 01/01/1915) and the DMF year of birth is either an exact match or the DMF Date of Birth is within 1 year either before or after the Company provided Date of Birth (e.g., 01/01/1915 & 02/25/1915 or 01/01/1915 & 02/25/1916);
    - ii. The Company supplied Date of Birth matches exactly with the DMF month and day of birth and the DMF year of birth is within 5 years either before or after the Company supplied Date of Birth (e.g., 02/25/1915 & 02/25/1913 or 02/25/1915 & 02/25/1916);
    - iii. The Company supplied Date of Birth matches exactly with the DMF month and year and the DMF day of birth is not a match (e.g., 02/25/1915 & 02/15/1915 or 02/25/1915 & 02/7/1915); or
    - iv. The DMF Date of Birth is within 5 years either before or after the Company supplied Date of Birth and a search of that individual's First and Last Name and Social Security Number (listed on the DMF) in Accurint for Insurance or an equivalent database results in an address matching an Company address for that policy, contract or account.
4. A "Social Security Number" fuzzy match includes one of the following:
- a. Two Social Security Numbers with a maximum of 2 digits in difference, any number position: "123456789" and "123466781."
  - b. Two consecutive numbers are transposed: "123456789" and "123457689."
  - c. If a Social Security Number is less than 9 digits in length (with a minimum of 7 digits) and is entirely embedded within the other Social Security Number: "1234567" and "0123456789."

### **Reports of Matches**

Auditor shall only include Category 1 Matches, Category 2 Matches, and Category 3 Matches in a UPR upon verifying that it believes a benefit may be payable based upon the data that Auditor was provided.

### **Other Matches and Mismatches**

Notwithstanding the fact that a life insurance policy (including a group life insurance certificate issued thereunder), Annuity Contract, or retained asset account is listed as a match, the Parties agree that there will not be a reportable match if Company is able to produce evidence sufficient to establish that the unique biological individual identified on Company's data is not the same as a unique biological individual identified on the DMF or such individual is not dead. Additionally, notwithstanding the fact that a policy (including a group life insurance certificate issued thereunder), Annuity Contract, or retained asset account is not found to be a match in accordance with the foregoing rules, Auditor may submit, in a separate report to be provided concurrently with the provision of Auditor's next due UPR, evidence sufficient to establish that a unique biological individual identified on Company's data is the same as a unique biological individual identified on the DMF. Once a match is submitted by Auditor pursuant to the preceding sentence, no other such matches shall be submitted for the individual so identified. In the event that Company and Auditor are unable to resolve any disputes related to what constitutes a reportable match, such disputes shall be subject to the dispute resolution provisions of the Agreement set forth in Schedule D. Auditor and Company agree to meet in order to evaluate whether the matching process is producing satisfactory data. If the matching process is not producing satisfactory data (i.e., a large number of false positives are reported based on the current criteria), Auditor and Company agree to use best efforts to develop new criteria for Auditor's identification of matches.

## SCHEDULE D

### REPORTING AND REMITTANCE PROCEDURES

All Missing Data Life Policy UPRs and UPRs shall be subject to the following process for reviewing, resolving disputes, and reporting and remitting Proceeds due to DFS under the terms of the Agreement:

#### I. ISSUANCE AND EXAMINATION OF MISSING DATA LIFE POLICY UPRs (ONLY IF COMPANY HAS MISSING DATA LIFE POLICIES)

##### A. Issuance of Missing Data Life Policy UPRs

For each Missing Data Life Policy, the Company shall send at least one letter to the policy owner at the policy owner's last address as recorded on the Company's electronic administrative systems for that policy, provided, however, that no letter is required to be sent if there is no address, a known bad address or a bad address indicator for the policy on such systems. The mailing of such letters will commence within thirty (30) days<sup>1</sup> of the date it is determined under the Agreement that Missing Data Life Policies will be processed under this Section. The mailings may be made in stages in order to accommodate the volume of mailings, provided that (i) all Missing Data Life Policies in fully paid up status shall be issued prior to any mailings for Missing Data Life Policies in other statuses, and (ii) all mailings to be made pursuant to this provision shall be sent out within three (3) months of the initial mailing.

The Company will have two (2) calendar months from the date the letter is mailed within which to make confirmed contact with an owner, Beneficiary, or the legal representative of a Beneficiary. For the purposes of this subsection, "confirmed contact" means the Company has made contact with an owner, Beneficiary or a Beneficiary's legal representative, and has begun to collect the documentation and information necessary to process any claim associated with the policy.

In the event that confirmed contact is not made with the owner, Beneficiary, or the legal representative of a Beneficiary within the allotted two (2) calendar month period, or if there is a known bad address, a bad address indicator or no address on the policy record, the property shall be subject to reporting and remittance pursuant to this Section and Section V. below. If confirmed contact is made with an owner of a policy who is alive, the Company shall make written or electronic notation in its records indicating the date of the contact, the person contacted, and the address, telephone number or e-mail address of the contacted person. If confirmed contact is made with a Beneficiary or the legal representative of a Beneficiary of a deceased insured, the Company shall pay the Beneficiary within two (2) calendar months following the end of the calendar month during which the Company makes contact with the Beneficiary or the Beneficiary's legal representative. The Company shall make payment of the claim per the terms of the applicable policy following contact with a Beneficiary or legal representative of a Beneficiary. If at the end of this two (2) calendar month period the Company

<sup>1</sup> All references in this Schedule D to the number of days by which an action is to take place are to be calculated in calendar days. If the last day on which an action is to take place is a Saturday, Sunday, or legal holiday, the period continues to run until the end of the next day that is not a Saturday, Sunday, or legal holiday.

has not paid the claim, the Proceeds shall be subject to reporting and remittance to DFS in accordance with this Section and Section V. below.

On the first day of each calendar month following the date it is determined under the Agreement that Missing Data Life Policies will be processed under this Section, the Company will submit Missing Data Life Policy UPRs to Auditor identifying Missing Data Life Policies for which the Company has determined that the Proceeds are to be remitted to DFS under the terms of this Section of Schedule D. Each Missing Data Life Policy UPR will be delivered in the format described in Schedule C. In addition, the Company shall provide Auditor with the methodology used to calculate Proceeds due to be remitted, as well as access to the physical documentation if any (e.g., calculation worksheets) and/or digital files that are created or edited during the death benefit calculation, for reportable policies identified on Missing Data Life Policy UPRs. Such documentation shall include a breakdown of all charges or additions to the account, including but not limited to loans, premiums, service fees, interest, and dividends.

Within five (5) business days following the first day of each month after commencement of the due diligence mailings, the Company shall provide Auditor with a list of all Missing Data Life Policies that it has paid out or is maintaining in-force as a result of the due diligence process, and all policies for which confirmed contact with a Beneficiary or a Beneficiary's legal representative has been made but the Proceeds remain to be paid out. Auditor may perform audit techniques to confirm that the Company is appropriately maintaining in-force policies or has fully paid the Proceeds to the Beneficiaries following the due diligence process.

#### **B. Examination of Missing Data Life Policy UPRs**

Following its receipt of each Missing Data Life Policy UPR, Auditor shall perform audit procedures to confirm: (i) the accuracy and completeness of all reported information; (ii) that the Proceeds have been identified to be remitted to DFS; and (iii) that the amount of the Proceeds to be remitted has been properly calculated. Once Auditor has completed its audit procedures in connection with each Missing Data Life Policy UPR (or a portion thereof), it shall return the Missing Data Life Policy UPR (or a portion thereof) to the Company with any modifications or amendments it has determined are necessary. All property for which Auditor has made no modifications or amendments on the Missing Data Life Policy UPR shall be subject to the procedures for reporting and remittance to DFS in accordance with Section V. below.

The Company shall have up to twenty (20) days to review any modifications or amendments made to each Missing Data Life Policy UPR and notify Auditor of any disputes it has with any such modifications or amendments. Auditor and the Company shall meet in good faith to resolve any such disputes within twenty (20) days of receipt of notification. All property that the Company agrees is due to be remitted following its review of modifications or amendments made to a Missing Data Life Policy UPR or reconciliation of any disputes shall then be subject to the procedures for reporting and remittance to DFS in accordance with Section V. below. All disputes that remain unreconciled twenty (20) days after the Company and Auditor first meet to discuss each Missing Data Life Policy UPR may be referred by either the Company or Auditor to the dispute resolution process described in Section II.5. of the Agreement.

## **II. ISSUANCE OF UNCLAIMED PROPERTY REPORTS**

Separate UPRs shall be issued for: (i) Proceeds payable under life insurance policies upon an event of death or upon reaching the policy Maturity Age (the "Life Insurance Reports"); (ii) Proceeds payable under group life certificates upon an event of death or upon reaching Maturity Age (the "Group Life Insurance Reports"); (iii) Proceeds payable under Annuity Contracts upon an event of death or upon reaching the Maturity Date (the "Annuity Reports"); and (iv) unclaimed Proceeds in dormant retained asset accounts or where the retained asset account owner is deceased (the "Retained Asset Account Reports").

The Company and Auditor shall meet in good faith to establish a timetable for the submission of UPRs, subject to the following understandings:

(i) The first set of UPRs shall be issued as soon as practicable after the Effective Date and shall identify Proceeds already in the Company's unclaimed property system for which Auditor has completed its review as of the time this first set of UPRs is issued.

(ii) Thereafter, on the first day of each calendar month, Auditor may submit a UPR identifying all life insurance policies, Annuity Contracts, or retained asset accounts identified on any list supplied to Auditor in accordance with Section III.3 of the Agreement that Auditor has determined meet the conditions for remittance under the terms of the Agreement.

(iii) In addition to the foregoing, Auditor shall deliver a new Life Insurance Report, Group Life Insurance Report, Annuity Report, and Retained Asset Account Report on the first day of every calendar month beginning no later than ninety (90) days following the Effective Date or receipt of complete and functional data from the Company, whichever is later.

(iv) With the exception of the report and remittance of some Missing Data Life Policies (where applicable), it is contemplated that the Audit will be completed no later than 24 months from submission of the first set of UPRs, subject to data-related issues and/or receipt of necessary information from the Company.

The UPRs shall identify only one unique individual per certificate, contract, policy or account. In the event that the procedures set forth in **Schedule B** result in more than one individual being identified as a possible insured, annuitant, Annuity Contract owner, or retained asset account owner, the UPR shall identify only that unique biological individual identified using the data with the most exact matching criteria which is most likely to be the individual identified on Company's data, as determined using the matching procedures of **Schedule B**. Once a match is submitted by Auditor, no other matches shall be submitted for that certificate, contract, policy or account unless it is based on additional information that is received from Company or information uncovered by Company as a result of Company's UPR review.

### **III. REVIEW AND RECONCILIATION OF UNCLAIMED PROPERTY REPORTS**

#### **A. Review of Unclaimed Property Report**

Company shall have up to one calendar month to review each UPR in order to identify all Proceeds that it agrees are subject to reporting and remittance as well as any exceptions it may have to an UPR, provided, however, that Company shall have up to forty (45) days to review each Group Life Insurance Report. Once Company has completed its review of each UPR, within

five (5) business days following the last day of that month, or within five (5) business days following the end of the review period for Group Life insurance reports, it shall provide Auditor with a list identifying: (i) all Proceeds that it agrees are subject to reporting and remittance in accordance with Sections IV and V below; and (ii) the exceptions for Proceeds that Company has determined do not meet the criteria for reporting and remittance, together with the specific reasons for its determinations. Where the grounds for the exceptions are based on documents or data that have not been previously provided to Auditor, Company shall provide such data or documentation within a reasonable time period following the response to the UPR, not to exceed ten (10) business days.

#### **B. Review and Reconciliation of List of Exceptions**

Within twenty (20) days after Company has provided Auditor with its list of exceptions, Auditor shall determine whether it disputes any exception contained in Company's list of exceptions.

If Auditor disputes an exception to an UPR, then Auditor and Company shall meet in good faith to resolve the dispute within twenty (20) days after Auditor notifies Company of its intent to dispute any listed exceptions. All property that Company agrees is due to be reported and remitted following reconciliation shall then be subject to applicable post-reconciliation processes described in Sections IV and V below. All exceptions that remain unreconciled twenty (20) days after Company and Auditor first meet to discuss each UPR will be specifically identified by Auditor in its final audit report (the "Final Audit Report") to DFS. The Final Audit Report shall state Company's basis for objection for each disputed amount. Disputes shall be resolved in accordance with Florida law.

#### **IV. POST-RECONCILIATION PROCESSING FOR PROCEEDS IDENTIFIED ON UPRs TO DFS**

Company agrees that all Proceeds identified on a UPR that are due to be reported and remitted to DFS pursuant to Section III shall be subject to the following due diligence.

##### **A. Due Diligence**

1. **Due Diligence for Property Due: (a) Upon An Event of Death Under Life Insurance Policies (including Group Life Insurance Certificates Issued Thereunder), Annuity Contracts, or Retained Asset Accounts; (b) Upon Life Insurance Policies Reaching Maturity Age; and (c) Under Retained Asset Accounts, but Excluding Property Due (a) Under Variable Life Insurance Policies (including group life insurance certificates issued thereunder) and Variable Annuity Contracts and (b) Upon an Endowment Policy With a Maturity Age of 75 or Less Reaching Maturity Age**

*1. Proceeds due under life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts where: (a) the Company has performed due diligence*

*for no less than the amount of time set forth in Subsection (ii) below and the property is already in the Company's unclaimed property system; (b) the Company does not have a last known address for the Beneficiary; or (c) the Company has made efforts to locate the Beneficiary subsequent to the initiation of the Audit for no less than the amount of time set forth in Subsection (ii) below but has not been able to locate or pay the beneficiary.*

All Proceeds within this category where the property is already in the Company's unclaimed property system shall be immediately subject to reporting and remittance to DFS in accordance with **Sections IV.B and V** below.

All Proceeds within this category where the Company does not have a last known address for the Beneficiary immediately shall be subject to the procedures for reporting and remittance to DFS in accordance with **Sections IV.B and V** below after allowing ten (10) days for the Company to calculate the amounts due under each policy, contract or account. Company shall be deemed to have no last known address for a Beneficiary where, according to the Company's books and records: (a) there is no last known address for the Beneficiary, insured, owner and retained asset account owner; or (b) there is a bad address indicator on the policy, contract or account record for all last known addresses for all of the foregoing.

For Proceeds within this category where the Company made efforts to locate the Beneficiary subsequent to the initiation of the Audit but has not been able to locate or pay the Beneficiary, Company shall be deemed to have already conducted reasonable due diligence based on the previous searches it has conducted. For Proceeds within this category Company may elect to write at least one letter and send at least one email to the Beneficiary based on information contained in the Company's files for that life insurance policy, Annuity Contract or retained asset account, but all property within this category immediately upon execution of this Agreement shall be subject to the procedures for reporting and remittance to DFS in accordance with **Sections IV.B and V** below after allowing ten (10) days for the Company to calculate the amounts payable under each life insurance policy, Annuity Contract or retained asset account.

In no event may property under this subsection be excluded from reporting and remittance pursuant to **Sections IV.B and V** below unless Company has made confirmed contact with a Beneficiary, or the legal or properly designated representative of a Beneficiary prior to the termination of the reporting and remittance process after which no further changes will be made to the report. For the purposes of this subsection, "confirmed contact" means Company has made contact with a Beneficiary, or a Beneficiary's legal or properly designated representative, and has begun to collect the documentation and information necessary to process the claim. Thereafter, Company shall pay the Beneficiary within two (2) calendar months following the end of the calendar month during which Company makes contact with the Beneficiary or the Beneficiary's legal or properly designated representative. Company shall make payment of the claim per the terms of the applicable life insurance policy, Annuity Contract or retained asset account following contact with a Beneficiary, or the legal or properly designated representative of a Beneficiary. If at the end of this two (2) calendar month period Company has not paid the claim, the Proceeds shall be subject to reporting and remittance to DFS in accordance with **Sections IV.B and V** below.

If Company makes confirmed contact with the Beneficiary or the Beneficiary's legal or properly designated representative but is unable to pay the Proceeds within the two (2) calendar month period following confirmed contact, Proceeds shall be reported and remitted based on the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary, or the last known address of the insured or annuitant if there is no last known address for the Beneficiary.

*ii. Proceeds due under life insurance policies (including group life insurance certificates issued thereunder), Annuity Contracts, or retained asset accounts that do not fall within Subsection (i) above.*

Except as set forth below, there is no limitation on the amount or means of outreach Company may conduct to contact the Beneficiary for Proceeds within this category. Company will have a two (2) calendar month due diligence period to make confirmed contact with a Beneficiary or confirmed contact with the legal or properly designated representative of a Beneficiary, commencing at the end of the calendar month during which Company has confirmed that the property is subject to reporting and remittance under Section III.A. For purposes of this subsection, "confirmed contact" means Company has made contact with a Beneficiary or a Beneficiary's legal or properly designated representative, and has begun to collect the documentation and information necessary to process the claim. If Company has not made confirmed contact by the end of the two (2) calendar month due diligence period, the Proceeds shall be subject to the procedures for reporting and remittance to DFS in accordance with Sections IV.B and V below. If Company has made confirmed contact within the two (2) calendar month due diligence period, Company shall pay the Beneficiary within two (2) calendar months from the expiration of the due diligence period. If at the end of this second two (2) calendar month period Company has not paid the claim, the Proceeds shall be subject to the procedures for reporting and remittance to DFS in accordance with Sections IV.B and V below. Company shall make payment of the claim per the terms of the applicable life insurance policy, Annuity Contract or retained asset account following contact with a Beneficiary, or the legal or properly designated representative of a Beneficiary.

If Company does not make confirmed contact with the Beneficiary or the Beneficiary's legal or properly designated representative by the end of the two (2) calendar month due diligence period, or pay the Proceeds within the two (2) calendar month period following confirmed contact, Proceeds shall be reported and remitted based on the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary, or the last known address of the insured or annuitant or account holder if there is no last known address for the Beneficiary.

2. **Due Diligence for Property Due: (a) Upon Annuity Contracts Reaching the Maturity Date; (b) Under Variable Life Insurance Policies (including Group Life Insurance Certificates Issued Thereunder) and Variable Annuity Contracts; and (c) Upon an Endowment Policy With a Maturity Age of 75 or Less Reaching Maturity Age**

Company shall send one or more notification letters to, and may otherwise attempt to notify, the Beneficiary. If there is no response to a notification letter within 180 days (six months) after the initial notification letter is sent and the property is not paid to the Beneficiary (or otherwise dealt with in accordance with direction from the Beneficiary) in accordance with the terms of the Agreement, the property shall be subject to the reporting and remittance process described in Sections IV.B and V below.

At least one letter shall be sent to the last known address on Company's books and records, as of the time it receives the UPR, for the Beneficiary. If at any time prior to the expiration of the 180 day period described above, Company determines that the Beneficiary cannot be located, the property shall be subject to the reporting and remittance process described in Sections IV.B and V below.

#### **B. Reporting of Results of Due Diligence for UPRs**

Within five (5) business days following the end of each calendar month, Company shall provide Auditor with a list of all property that it has paid out as a result of the due diligence process, all property for which confirmed contact with a Beneficiary or a Beneficiary's legal or properly designated representative has been made but the property remains to be paid out, and all property that is to be remitted to DFS. Auditor may perform appropriate audit techniques to confirm that Company fully paid the Proceeds to the Beneficiary following the due diligence process.

Company shall provide Auditor with the methodology used to calculate Proceeds due to be remitted, as well as access to the physical documentation (e.g., calculation worksheets) and/or digital files that are created or edited during the death benefit or maturity calculation for each reportable policy, contract, and account. Such documentation shall include access to all post date of death debit/charges or additions to the account, including but not limited to loans, premiums, service fees, interest, dividends, etc. Auditor may test a reasonable percentage of such Proceeds to ensure that the correct calculations have been made. Any disputes regarding the amount of benefits due shall be subject to the same reconciliation and resolution process described in Section III above.

#### **V. REPORT AND DELIVERY PROTOCOL FOR PAYMENT OF PROCEEDS TO DFS**

Records of Property to be reported and remitted will be generated on the last day of the calendar month: (a) in which the one calendar month review period for property in the Company's unclaimed property system ends; (b) in which the due diligence period ends; (c) in which the valuation period provided for in Section IV.A.1(i) ends if it is determined that no due diligence is required with respect to the Proceeds; or (d) in which the processing of Missing Data Life Policy UPRs described in Section I, above is completed. Payment of all Proceeds to be reported and remitted shall be delivered as of the 10th day of the following month.

The report must correctly identify the full name, taxpayer identification number or social security number, date of birth, and last known address of the person(s) who own the unclaimed property to the extent this information is available in the Company's electronic administrative

systems. In addition, to the extent this information is available in the Company's electronic administrative systems, the report must correctly identify the full name, taxpayer identification number or social security number, date of birth, and last known address of the insured or annuitant and of the beneficiary. Corrections of any errors or omissions must be made to the report and delivered to the person making the request within fourteen (14) days of receipt of the request of the DFS or Auditor to correct the report.

Company agrees that all Proceeds to be reported and remitted to DFS pursuant to this Agreement shall be reported by Company to DFS with a notation indicating that the report is made pursuant to the Audit, and shall be reported and remitted by Company to DFS through Verus. However, Missing Data Life Policies reported and remitted after the end of the Audit, if any, shall be reported and remitted directly to DFS. Further, Company agrees that it shall provide to Auditor a copy of all such reports and remittances. Company further agrees that no Proceeds to be reported and remitted to DFS pursuant to this Agreement shall be included in any annual filings or any supplemental filings made by Company to DFS. Nothing in this Agreement, however, shall prohibit Company from identifying and remitting Proceeds to a Beneficiary if permitted or required by DFS's UP Laws. At such time as the Company provides notice of remittance to a Beneficiary under DFS's UP Laws, the Company shall provide a copy of the notice of remittance to Auditor. DFS and Auditor shall have access to all relevant records documenting the identification of the Beneficiary and the remittance of Proceeds pursuant to this Section.

Auditor and Company mutually agree to deliver all notices and reports required under the Agreement according to the following protocols.

Reports provided to Company shall be delivered in electronic, encrypted, password protected, unlocked (to permit sorting) Excel format (or such other format as Auditor and Company mutually agree in writing) to Mr. Dennis Ingersoll at [dennis.ingersoll@genworth.com](mailto:dennis.ingersoll@genworth.com) and Ms. Angel Mason at [angel.mason@genworth.com](mailto:angel.mason@genworth.com). Company may designate in writing to Auditor one or more persons to receive such reports instead of Mr. Ingersoll and/or Ms. Mason.

Reports provided to Auditor shall be delivered in electronic, encrypted, password protected, unlocked (to permit sorting) Excel format (or such other format as Auditor and Company mutually agree in writing) to Mr. Steven Haley, at [shaley@verusfinancial.com](mailto:shaley@verusfinancial.com).

Where Auditor is to provide notice to DFS under **Section II.5**, of the Agreement or this **Schedule D**, the date of notice is the date on which notice is sent by Auditor. Where DFS is to provide notice or a report to Company under **Section II.5**, of the Agreement or this **Schedule D**, the date of notice is the date on which notice is sent by DFS to Company.

Report delivery protocol questions, issues, concerns, or disputes shall, in the first instance, be addressed to Mr. Ingersoll and Ms. Mason, of Company, or Mr. Haley, of Auditor, for resolution.
