The South Carolina Department of Insurance tried to make this a complete list of all companies. However, if for any reason a company's name has been omitted or any information on this list is incorrect, please let us know. We will research the omission or errors and revise our list accordingly.

To find information about an insurance company doing business in South Carolina, please follow the instructions below.

- Go to [www.doi.sc.gov/cosearch](http://www.doi.sc.gov/cosearch)
- Enter the company name and click "Search."
- When the result appears, click on the company's name to view demographics and license information.
- From the company's demographics and license information page, you can view the company complaint summary information or search for producers licensed/appointed with the company.
